

PRAISE FOR **One Circle**

“*One Circle* is a great addition to the books on how circle process can create and sustain mutually supportive groups. Don’t be afraid of Fitzgerald’s structure—it works and her chapters are full of practical advice that might change your life!”

– Christina Baldwin, author of *Calling the Circle* and *Storycatcher*

“*One Circle* tells you everything you need to know about starting and continuing a circle group. Written in easy-to-understand language and interspersed with dynamic ‘real life’ quotes from a wide range of people who have experienced a circle, this book will introduce you to the culture of circles—whether you want to use them for professional development or personal growth. I recommend it to anyone who has ever had an interest in circles.”

– Beverly Engel, author of *Women Circling the Earth*

“Learning how to build, provide and receive support through a circle of confidants is fundamental to success. This book will help anyone wanting to discover the power and enjoyment of an effective circle of advisors.”

– Sue Paish, Q.C., partner, Fasken Martineau DuMoulin

“If you are unsure of how the power of connectivity and a circle of influence can change your life—you’ll need to get this book now!”

– Elaine Allison, author of *The Velvet Hammer*

“Talking is the work in building an intentional life, but listening is the huge gift of the open-circle. Fitzgerald’s strength is taking something complex, and creating a simple, yet powerful tool to help people move their lives forward. Enjoy the amazing adventure these well-crafted words invite you to!”

– Elaine Froese, family business coach and author of *Planting the Seed of Hope*

“This book can be used by every corporation, every networking group and every mastermind or peer-mentoring group. It is a simple process designed to make any group resilient, effective and meaningful.”

– Danna Murray, development consultant and program director, Minerva Foundation

“*One Circle* is an easy-to-use tool that ensures that real conversations happen. A group that adopts this process will gain from the synergy created.”

– Shauna Harper, President, Color The Universe Inc.

“Fitzgerald has identified a simple step by step process guaranteed to help any group grow, and succeed. On a personal note, it was very fulfilling.”

– Shelley Leonhardt, executive business coach

“At last a book that helps entrepreneurs and professionals create a community of like-minded people, with clear engaging and detailed guidance. *One Circle* gives everyone opportunities to develop and sustain meaningful connections for life.”
